Navigating Your Dashboard

1. Go to the website login page and login with your username and password.

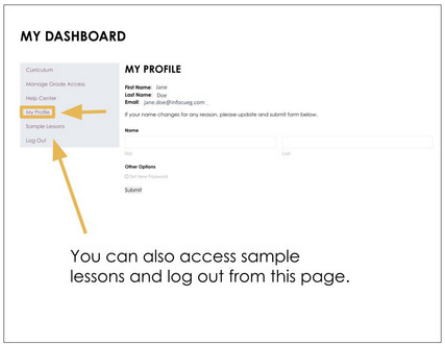

2. If you have forgotten your password, click the “Forgot your password?” link below the login form.

3. Select “Manage Grade Access” and select your grade level(s). Grade level access will automatically be updated.

4. From your dashboard, you can access the “Help Center” to find answers to our most frequently asked questions.

5. From your dashboard, you can also select “My Profile” to reset your name or password.
